IMPORTANT NOTICE TO PERSONS ON MEDICARE
THIS INSURANCE DUPLICATES SOME MEDICARE BENEFITS

28 TAC §3.3608(1)

THIS IS NOT MEDICARE SUPPLEMENT INSURANCE This insurance pays a fixed amount, regardless of your expenses, for each day you meet the policy conditions. It does not pay your Medicare deductibles or coinsurance and is not a substitute for Medicare Supplement insurance.

This insurance duplicates Medicare benefits because Medicare generally pays for most of the expenses for the diagnosis and treatment of the specific conditions or diagnoses named in the policy.

This insurance duplicates Medicare benefits when:

- Any expenses or services covered by the policy are also covered by Medicare

  Medicare generally pays for most or all of these expenses.

Medicare pays extensive benefits for medically necessary services regardless of the reason you need them. These include:

- Hospitalization
- Physician services
- Hospice
- Other approved items and services

INSTRUCTIONS TO AGENT: This form is provided for the purpose of compliance with regulations regarding the replacement of accident and sickness insurance.

When the replacement questions on the application is answered YES, this form must be dated, signed by applicant, and submitted with the application, AND a copy of this form must be left with the applicant.

NOTICE TO APPLICANT REGARDING REPLACEMENT OF ACCIDENT AND SICKNESS INSURANCE

According to your application, you intend to lapse or otherwise terminate existing accident and sickness insurance and replace it with a policy to be issued by Southwest Service Life Insurance Co.

For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new policy.

1. Health conditions which you may presently have, pre-existing conditions, may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.
2. You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interests to make sure you understand all the relevant factors involved in replacing your present coverage.
3. If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical/health history. Failure to include all material medical information on an application may prove a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, re-read it carefully to be certain that all information has been properly recorded.

APPLICANT'S ACKNOWLEDGMENT OF UNDERSTANDING and DESCRIPTION OF AGENT'S AUTHORITY

Insurance agent, ______________________________, talked with me about applying for insurance with Southwest Service Life Insurance Company and gave me an outline of coverage for the policy that I am applying for. The agent showed me on the outline of coverage the description of the policy benefits, the waiting periods and the limitations and exclusions, which I read and understand. I also understand that the policy I am applying for contains limited benefits, and any benefits payable will always be paid in accordance with policy provisions.

I have personally answered each question on the application, including the health history questions, and I read the application before signing it to make sure all the questions were answered correctly. No one told me to leave out any information asked for in the application.

I understand the agent taking this application does not have any authority to leave out any information that is asked for in the application. All the information I told the agent about my health history, and the health history of any other applicant, is written on the application. The agent explained that the company will rely on my answers in the application in deciding whether or not to issue a policy to me.

I understand that no insurance will become effective until a policy is actually issued by the company and that making this application and paying the initial premium does not guarantee that a policy will be issued. I understand the agent taking my application has no authority to guarantee me that a policy will be issued.

I HAVE READ AND UNDERSTOOD THE ABOVE STATEMENTS BEFORE SIGNING THIS DOCUMENT.

SOUTHWEST SERVICE LIFE INSURANCE CO. *does not issue group health and accident policies nor does it offer health insurance plans as a Small Employer Health Benefit Plan under the provisions of Chapter 26 of the Insurance Code. For that reason it is necessary to complete the following form:*

EMPLOYER INSURANCE DISCLAIMER

(1) The policy is an individual fixed indemnity policy and not a group, blanket, franchise or Small Employer type coverage, even though your employer may be remitting a premium on your behalf to the Company. Benefits are limited, as shown in your Outline of Coverage.

(2) The Company assumes no responsibility for compliance with the Employee Retirement Income Security Act of 1974 and amendments thereto, nor does it maintain that the policy is designed or marketed to comply with the requirements contained therein. In particular, the policy provides no benefits for normal pregnancy and delivery and/or coverage for any individual, newborn, fetus or otherwise that was not extended coverage at the time the policy was originally issued and is subject to Company underwriting in (3) below. The Company also assumes no responsibility for compliance with any State Small Employer Health Insurance Law.

(3) The policy is not guaranteed issue and will be fully underwritten by the Company. This may result in the exclusion from coverage of certain family members (if applicable), and/or health conditions. Southwest Service assumes no responsibility for the collection of premiums and/or the failure of same to be remitted on a timely basis.

(4) I further acknowledge that the policy Benefits - Limitations & Exclusions have been explained to me individually and that an Outline of Coverage which explains the coverage which I have applied for has been left with me for my examination.

(5) If my employer is remitting the premium to the Company, I understand any policy issued on my behalf is on the premium paying mode requested by me. In the event the employer ceases to remit the required premium, for any reason, the policy coverage will terminate at such date and any further coverage after such date of termination of premium payment will become null and void.

Because this is an individual fixed indemnity benefit policy, I understand I may continue the policy if I personally desire to remit the premium required by the Company within the grace period provided in the policy.

I also understand that it is my personal obligation and responsibility to notify the Company in writing of my desire to arrange for the proper premium to be paid within the time period allowed. If such election is made after expiration of the grace period, the policy is subject to reinstatement review by the Company and coverage may or may not be allowed to remain in force. - The coverage is guaranteed renewable up to the age of 75, subject to the Company's right to cancel, discontinue or terminate it as provided in the Cancellation and Termination provisions below.

CANCELLATION: We may cancel the policy at any time by written notice delivered to You, or mailed to Your last address as shown by Our records, stating when the cancellation is effective, which may not be earlier than five days after the date the notice is delivered or mailed.
